BUSINESS BOOSTED AT LUMBERMEN'S CONVENTION

**'Sell the Home, Not Materials,'
Slogan of Western Dealers,
Says J. Ray Bentley**

J. Ray Bentley, a member of the Bentley-Schoeneman Lumber company firm with offices and yards at 460 West Los Feliz Road, returned late yesterday from Salt Lake City, Utah, where he attended the convention of the Western Retail Lumbermen's association which held its sessions in Hotel Utah.

"So few representatives from southern California were present," he states, "that problems here were but generally mentioned and the main topic of interest for us was better business ahead with every indication of a stable price for the coming eight months."

"Sell Home, Not Lumber"

"Sell the home and not the lumber," seems to be the big idea of the lumberman today, according to Mr. Bentley's view of the convention as a whole. In other words, the sale of a service is a greater business builder than simply shoving a commodity out of the yards onto someone's vacant lot.

"It was an enthusiastic meeting and well attended by the lumbermen in a majority of the 11 Pacific coast states," said the local representative, "and from all reports the prospects are very good for an active year in this western territory, especially in the states of Utah, Wyoming, Montana and Idaho where crops and economic conditions have been far below normal for several years."

Prosperity for All

"While there are many men out of employment, the mines are opening up again and they are getting back to work. It was this theme of getting people back to work which seemed to pervade the convention and unity and understanding of each other's progress, among other problems, will have a tendency to promote prosperity for all," he added.

"There seems to be every assurance that prices will not be any lower, that they have hit the rock bottom and with the return to normal conditions there is every belief that labor, transportation and other costs will not fluctuate a great deal during the coming spring and summer."

SHAKESPEAREANS ENJOY PROGRAM

**Mrs. Bert Ward Hostess for
Tuesday Afternoon Club
Section Yesterday**

The splendid program given yesterday afternoon at the open meeting of the Shakespeare section of the Tuesday Afternoon club, which took place at the home of Mrs. Bert Ward, 451 West Myrtle street, proved a delight to those who attended. The program included two piano numbers by Miss Lillian Litch "Rigodon" (MacDowell), and "In Autumn" (MacDowell), and responded to an encore by playing "Song" (MacDowell). Mrs. A. J. Lyons, teacher of the section, read an interesting paper on "The Value of Literature to a Nation," which was greatly appreciated by the members of the section and guests present. Mrs. Thane Benedict of Ionia, Mich., who is a contralto singer, gave "Song of the Heart" (Louise Tunison), and responded to two encores with "Until You Came" (Metcalf), and "His Lullaby" (Bond). Mrs. A. H. Montgomery, curator of the Shakespeare section, gave a dramatic reading of "Pauline Pavlovna, a Russian classic, and responded to an encore with several short stories.

During the afternoon a short business session was held, at which the program, "Midsummer Night's Dream," to be given at the Chamber of Commerce auditorium by the section on Thursday night, February 23, was discussed. A social hour followed, during which the hostesses of the afternoon, Mrs. Bert Ward, Mrs. W. E. Halstead, Mrs. Chester Kling, Mrs. William Hunter, Mrs. Walter Jones and Mrs. Colin Cable served most delicious refreshments of chicken salad, coffee and many varieties of cake.

**Mrs. George C. Harris
Hostess for Daughter**

Mrs. George C. Harris of 1268 South Mariposa street entertained with a party Saturday afternoon in celebration of the seventh birthday anniversary of her daughter, Frances Dorothy Harris.

The living room was decorated with red hearts and acacia blossoms. The table, where refreshments were served, was centered with a red chandelier drawn by two red cupids. The chandelier was filled with red candles. Each of the children was given a red balloon and red basket filled with candy as a favor.

There were twenty-seven guests who assisted in the celebration of the birthday anniversary of this little Miss, who received many pretty gifts.

With Church Wedding**

MRS. FRANK E. BUDWAY
Formerly Miss Grace A. Goudie of 324 West Elk avenue. She was married this morning at the Holy Family Catholic church.

Miss Grace A. Goudie, daughter of Mr. and Mrs. R. C. Goudie of 324 West Elk avenue, and Frank E. Budway were married this morning, February 21, 1922, at the Holy Family Catholic church. The ceremony was read by Rev. Father James S. O'Neill and was followed by a nuptial mass.

Miss Goudie wore a dress of dark blue silk canton crepe trimmed with monkey fur and a small spring hat. The simplicity of her attire made a beautiful background for her attractive corsage bouquet of flaming American Beauty roses. She was attended by her sister, Mrs. William E. Gordon, as matron of honor, and at whose wedding she was bridesmaid five months ago. Mrs. Gordon wore a charming gown of blue tulle. Her corsage bouquet of multi-colored buds matched her beflowered hat. The bridegroom was attended by his brother, Arthur J. Budway.

There was no music as the Los Angeles prima donna who had been engaged to sing, was suddenly taken ill with la grippe and was unable to appear. Following the ceremony a delicious wedding breakfast was served at the home of the bride's parents.

Both Mr. and Mrs. Budway have resided in Glendale for a number of years. The bride was graduated from Glendale Union high school in 1920, and a brilliant literary career had been promised for her. She is the author of a book of poems and numerous short stories. Mr. Budway was in the class of 1916 at the local high school. He served with Coast Artillery, Co. 9, during the world war and is a member of the American Legion, Elks and Knights of Columbus. At the present time he is engaged in the contracting business.

Mr. and Mrs. Budway left by automobile for a wedding trip and will return about the first of March.

**Parents Introduced
at Supper Given by
Baptist Hi-Y Group**

The Senior Hi-Y group entertained their parents at a supper last night at the First Baptist church, which was attended by over thirty. The members of the group had prepared the supper, which was served by the group of which P. L. Hatch is the leader. H. Butterfield and the members of the Senior group, of which he is leader, were seated at the tables with the parents of the members.

Each boy of the group introduced his parents. Don Cameron, president of the senior group, acted as toastmaster. Following the supper Bob Holland welcomed the parents, which was responded to by Mrs. W. F. Wood. George Jordan gave a short talk telling what the Hi-Y stands for and what is trying to be accomplished by its members. Rex C. Kelley, local Y. M. C. A. secretary, gave a short talk on "Training." This was followed by the regular lesson that is studied by the boys at each meeting. The lesson studied and discussed last night was "Friendship." This was followed by games in which the boys and their parents joined.

MISSPELLED WORDS 'SATURDAY NIGHT' ATTRACTION

**Edna May Paull Wins First
Prize in Contest; Clifford
Walcott Scores Second**

Do you remember the good old days when they used to have the "Saturday Night" spelling bees in the district school house?

You surely do if you were two or three years or older. And what pride you took in the little girl who wore the checkered gingham, or the strapping bumpkin who never seemed to be standing on one foot and then the other as long as the teacher or the county chairman proceeded with the humdrum announcement of jawbreakers in stentorian tones that kept even the cows and chickens awake on the neighboring farm.

"They were the good old days," said the Glendale patriarch as he mused over the more modern method of testing the townspeople's ability—misspelled words in a page of advertising.

Here Are Misspelled Words

"Let's see how many of them words I can find," he added as he shoved down his 'specks' from the forehead to their proper position for reading. "In the Glendale Creamery company's ad they have it exclusive instead of exclusive. That's a pretty good one, sure enough."

"Westinghouse advertises a battery when all the up-to-date folks know there is two is in battery."

"And to think that the Army & Navy store has vegetables instead of vegetables. Oh, ho, who missed that one, anyway?"

"Then in Bentley-Schoeneman Lumber company's ad it is planes where it ought to be plans."

Easy to Miss This One

"Ralph Browne's photograph is splended when it always is splendid. While right there in plain letters the T. D. & L. theatre has chauffeur instead of chauffeur. Say, I'd missed that one myself if it hadn't been for the dictionary."

"The Broadway Kandy Kitchen had a trick or two in it. There is fine instead of find and delicious (Continued on Page 3)

A large number of spectators enjoyed the contest. "The California State Association of Horse Shoe Pitchers will hold their second annual tournament the last of July or the first week in August at Long Beach," stated Walt H. Nicolas, secretary of the Glendale Horseshoe club, recently. "We now have eight clubs in the association. The last to join was Santa Monica. By tournament day we expect to have at least 15 cities represented."

This was a direct result of the Chamber of Commerce declining to hold a meeting at which the present critical transportation question would be discussed, as the directors trivially said the entire matter lays with the council. In seeking the appointment with the local officials, Mr. Karr invited them to Los Angeles, but insisted that the meeting be held here at home where those who wished might hear the conversations.

Unannounced, the parties walked into the Glen Inn and proceeded to discuss, argue, admit and condemn various things with practically no relief in sight, but an amicable feeling existed as they walked out of the dining hall and Mr. Karr kindly paid for the meal, because of Mayor Robinson's luck.

Busses Mean Ruin, He Says

Among other things, it is authentically reported that Mr. Pontius admitted that a municipal bus line meant financial ruin for the Pacific Electric Glendale service—and that portion of the system for some time past has been profitable. He also made the point that competition would likely "break" the city, although the councilmen couldn't consider that as a plausible reason for not starting the busses rolling.

Speaking of the legal phases of the matter, Attorney Karr, who knows about everything to be known in transportation matters, declared that Glendale had a constitutional right to operate the proposed fleet of busses, but he could not agree with the economy of the project, in view of the fact that the Pacific Electric would lose heavily—a loss which he felt would affect the community.

Waiting on Commission

It was the consensus of opinion that no relief could be granted Glendale under the railroad commission's recent decision in favor of a mileage basis of fares without other communities sharing likewise. And Hollywood patrons of the Pacific Electric obtaining a zone rate for traveling a greater distance than Glendale passengers appealed to all as inconsistent.

The Pacific Electric officials left the conference with the idea that the Glendale city fathers are in "dead earnest" about obtaining relief from the increased cost in transportation and it is believed that every effort will be made to placate the people's demand for lower fares.

However, it behooves neither the Pacific Electric to speak until after the railroad commission is through with its review of the Hollywood case in particular, nor the city of Glendale to lose a moment's time in arranging for the bus line.

P. E. Officials Conciliatory

For the time being it seems to be a policy of "watchful waiting" with municipal preparedness for eventualities. The public here has the highest regard for the Pacific Electric and especially its officials, who seem willing to do anything reasonable, but as it stands now the corporation contends it is the victim of circumstances over which it is trying to gain control, if possible.

It was even suggested by Mr. Pontius that something might be done in the matter of lowering the tracks along Brand boulevard south of Colorado street, and while he was not able to state whether a paving program would be approved, Attorney Karr quoted the laws under which Glendale may proceed with this work.

'Saturday Night' at
T. D. and L. Theatre
for Next Three Days

Tonight is "Saturday Night" at the
T. D. & L. theatre where the first
showings of Cecil B. DeMille's great-
est picture of that title is being pre-
sented. All the crash and tingle of
the vividest melodrama! All the
pulsating heart-tug of life's supreme
adventure of love! All the gorgeously
color that glows through the pictures
of DeMille!—all of this and more—
is here found for "Saturday Night".
It is a story as novel as next year's
style salon, yet throbbing with old-
age, primitive instincts that drive
every man and woman on to their
fate.

There are four distinctive climaxes.
The picture is filled with action and
suspense—nothing of its kind having
been seen before. "Don't miss
"Saturday Night" for the world," said
Ralph Allan, "it is one of the biggest,
finest films ever shown to Glendale
people and it has my personal en-
dorsement as such."

"The Saturday Night Review" the
quintette of singers and saxophone
instrumentalists whose numbers took
the patrons of the T. D. & L. theatre
by storm Sunday night and through
incessant clamoring for more,"
stopped the feature picture to give
another encore, will be heard again
tonight, tomorrow and Thursday
evenings.

"Saturday Night" and the entire
program of added attractions includ-
ing the "Saturday Night Review" is
one of the biggest combined shows
that has been presented here.

The strength of the Realty boards

the recent action of the budget bu-
reau at Washington in creating a
federal real estate board according
to Mr. Hayward. The new board
will be composed of a representative
from each of the government depart-
ments and agencies. Its chairman
will be James A. A. Wetmore, federal
surveyor-general of real estate.

Ruined by
roughing!

So many women are dis-

condition of their hair.

Where roughing, back-comb-

broken their hair—usually at
the sides.

But—we can make up such
perfectly matched extra pieces
for wearing both for good ap-
pearance and resting your own
hair, that Marinello patrons
need not worry.

C. E. Conventionette Has Service As Theme; 150 in Attendance

The Conventionette held by the Glendale District C. E. Union, of which Carol Duncan was president, Sunday afternoon at the First Presbyterian church, opened at 2:30 p. m. with approximately 150 members present. The theme, "Our Hearts in Service," was carried out in a very interesting manner throughout the program, which opened promptly with "Our Hearts in Song," led by Ralph Isbell, intermediate superintendent of Christian Endeavor State Union, with accompanist, Grace Pike, Los Angeles County Christian Endeavor Union missionary superintendent.

This was followed by short talks, "Our Hearts in Missions," by Grace Pike; "Our Hearts in Winning 'Teen Age,'" by Ralph Isbell; "Our Hearts in Quiet Hour," with Nancy St. Clair, leading; song, "Keep Me True," by Dorothy Thompson and Helena Richardson, with Mary St. Clair, accompanist; prayer by Rev. W. E. Edmonds; "Our Hearts and Our Treasury," by Harry Marple, who is Tenth Legion, or titling superintendent of Los Angeles County Christian Endeavor union. From the hour of 4 to 5 p. m. "Our Hearts in Testimony" meetings were held by the Senior Christian Endeavor society in the Sunday school room, with Francis Bennett of Eagle Rock, leading; while the intermediate society assembled in the bungalow room, and were led by George Stanley; "Our Hearts in Union Fellowship" was observed as a social half hour during which time refreshments of sandwiches and cocoa were served by the committee, Mrs. C. C. Stoler, Mrs. Harry Marple, Miss Marjorie Smith, Miss Helen Engle. At 5:30, the business meeting was called to order by the president.

At the roll call, Burbank Presbyterians were awarded the banner for the highest percentage in attendance at the union meetings, which is the fourth time in succession that Burbank has won this honor. Woodbridge Johnson, chairman of the nominating committee, presented the report of that committee, which was formally accepted. The new officers, who were formally installed by Rev. Thos. E. Stevenson of Burbank, were: President, Harry Marple; vice-president, George Stanley; second vice-president and junior superintendent, Miss Louise McKee; secretary, Miss Lois Mock; treasurer, Benton McNary; missionary superintendent, Miss Gertrude Heideman; quiet hour superintendent, Miss Florence Stevens; social superintendent, Miss Helen Engle; intermediate superintendent, Orrin Barnes; publicity superintendent, Miss Carol Duncan. A thirty-minute talk, upon the subject, "Conserved Hearts," by Rev. E. E. Ford, closed the very interesting afternoon program.

W. D. McRae Recovers, Returning to Glendale

Word has been received by local friends of W. D. McRae, former Glendale resident and well-known Y. M. C. A. worker, to the effect that he is gradually regaining his health after having suffered from a nervous breakdown during the past six months. After having been in a hospital from September until January he has now returned to his wife and family, whose present home is in Concord, New Hampshire.

As soon as he has completely recovered Mr. McRae is planning on bringing his family back to Glendale. They formerly lived at 638 North Kenwood street.

Community Service Speaker Guest Today at C. of C. Luncheon

H. W. Arbury, a representative of Community Service, Inc., today addressed the board of directors of the Glendale Chamber of Commerce. The Ten o'clock club reported on the membership campaign while Dr. Jessie A. Russell and other members of the civic committee were present.

Following are those whose names were submitted for membership, with the exception of Ten o'clock club nominees: Wm. Barshfield, Los Angeles, oil business; Caldwell & Elliott (D. Caldwell), 200 South Brand, real estate; A. T. Dobson, 809 Melrose avenue, Petriwood composition stone; Ed S. Franklin, 346 North Adams, building and contracting; Glendale Realty Board (C. D. Thom, president), 142 South Brand; Glendale Sewing Machine Exchange (Henry Van de Werkin), 708 East Broadway, clothing; H. N. Greenlaw, 123 South Brand, transportation expert; A. B. Heacock, 709 East Windsor, school principal; G. D. Mason, 1600 El Rito street; S. A. Merriken, 123 South Central, real estate and insurance; F. E. Moore, 458 West Los Feliz, sash doors; Henry H. Pettit, 440 West Wilson, hotel; Ben Short, 347 North Brand, Academy of Music; S & G Auto Service (R. D. Stinson), rear of 612 East Broadway; Taylor & Seaman (H. B. Taylor), 708 East Broadway, consulting engineers; C. E. Williams, 471 West Windsor Road, Durabilt bungalows; H. B. Woodfill, 111 East Third street, Los Angeles, merchant.

Dan Kelty Chairman Committee on Closing

Dan Kelty, Seymour Smith and H. S. Webb were named members of a committee to attend to uniform holiday closing by local stores under the leadership of the Glendale Merchants' association. Although it is too late to make the rounds for Washington's birthday, it is believed that good will be accomplished by the Fourth of July. Then everybody will celebrate. C. E. Neale, president of the association, reported on his trip to San Francisco and said that the northern part of the state wasn't what it used to be from a business standpoint. However, they are hoping for a good spring and summer trade in hardware lines, fellow dealers told him. There were 38 professional men, merchants and credit men in attendance at yesterday's luncheon, according to Secretary Frank H. Pilling. Dr. J. P. Lucecock was reported confined to his bed by illness.

Mr. and Mrs. Potter Located in Glendale

Mr. and Mrs. P. V. Potter and daughter, Dorothy, are again centrally located in Glendale, at 463 Hawthorne street, having resided for the past few months on their foothill property on Sunset Canyon boulevard. Mr. and Mrs. Potter are owners and managers of Camp Potter at Big Bear Lake in the San Bernardino mountains and cater particularly to Glendale people. Business interests in connection with their mountain camp have brought Mr. and Mrs. Potter back to Glendale from their foothill home.

"In Ireland, Scotland and England people find themselves depending on the use of drinks that will help them bear up under the depressing effects of the climate," he said. "Therefore they have to drink, while Americans do not."

COMMENT THAT'S ALL

Two Years of Street Work
Two Wonders of Nature
Two Stories—Someone Lied
Two Records Will Be Made

By Gil A. Cowan

Did you look over that list of streets which the city council last night announced were either being improved or contemplated as worthy of "something being done?"

That's the stuff! Members of the council, and especially S. A. Davis, are to be congratulated for their watchfulness of the municipality's welfare in this respect.

But, as Mr. Davis says, the paving program entails two years of work or more and people should not expect to see their own street fixed up inside of six months, because it may be longer.

What is necessary, however, is the confidence of the people that every cent used for street improvements adds that much to the value of the adjacent property.

Be glad to do your bit!

Wonders of nature could be no more marked than two spectacular phenomena visible in Glendale yesterday afternoon and evening.

Between 5 and 6 o'clock the glorious crown of sunlight snow on the neighboring mountain peaks with the green Verdugos in the foreground made a reality of what pictures Switzerland to be.

It is just such a glimpse that causes people to travel thousands of miles, artists to sit enraptured—and young people to dream dreams of doing things.

Then last night after the mantle of rain clouds had settled over the country side, the fiery tongues which licked skyward from the Santa Fe Springs oil well sent a glow all over southern California which is comparable only to Kiluaea of Hawaii or Vesuvius of Italy or Popocatepetl of Mexico.

Thousands of people watched for hours, watched nothing but the telescopic changing hues of red that made the clouds appear as burning shins on the ethereal sea. What wonders there be for the tourist to see!

Under the influence of secalamin an alleged Texas murderer denied the crime and in answer to doctors' questions declared he was in Oklahoma at the time.

It is to be presumed he told the truth. Then when the doctors turned on the accusers and asked them to stand the test—omigosh, they turned heel and fled.

It would appear that a little secalamin would go a long way in solving the Taylor murder mystery.

Everybody's attention is called to the fact that the Washington's birthday speed classic has been postponed until Sunday.

That will cause a great deal of excitement for thousands of people who want to be thrilled, by a speed record, but it is an even bet that the speed classic in getting to and from the Beverly bowl will break all small records.

As usual with postponements, the weatherman man said it would be wet for another day or two. Now look at old Sol laughing at him this noon.

No wonder the little street ramble, who woke up in an ash can one morning after being sheltered from the rain all night, looked out at the sun and said:

"Gee, but aint this a funny world?"

A sixteen year old American heiress is to wed a master of a Swiss riding school who boasts he is 40 years young.

It will be the opinion of many red blooded American girls that less money and more brains would be a blessing for some people.

Maybe you can graft brains by marriage, but that has never been brought forth by science as an assured fact.

The deepest known lake in the world is Lake Baikal in Siberia.

The deepest gold mine in the world is situated at Bendigo, Victoria, Australia.

**Lama Gray Latest
Popular Finish for
Best in Furniture**

What do you know about lama gray?
It is the very latest popular finish for high grade furniture, according to R. E. Pierce of the Russell-Pierce Furniture Manufacturing Company of 1531-1533 South San Fernando boulevard. Other finishes in which furniture may be obtained at their factory are mahogany, walnut, French gray and several others. Of interest to those who are refurbishing their homes with the very new, the Russell-Pierce retail store can provide Queen Anne buffets—something very classy, indeed, for the dining room.

L. W. Russell is an experienced furniture manufacturer who owns his own home at 901 East Orange Grove while R. E. Pierce also has invested in Glendale property at 1022 Florence place. He was formerly with the sales department of the Pierce Desk company of Los Angeles and other furniture concerns.

While this concern specializes on bedroom furniture at factory prices, it also handles a complete line of other furniture and springs, mattresses, etc. A visit to their factory will be a revelation as to one of Glendale's industries.

HA! HIST! IT'S MYSTERY
Mystery in Southern Glendale: Why does T. B. Reavis hang sponges in the window of his paint store at 1530 South San Fernando road? Neighbors are curious to know whether he expects to soak up the moisture in the atmosphere, or whether the sponges are invitations to "moochers." Mr. Reavis, however, says the kind of paints he sells can't be sponged off a house.

FAVOR STREET LIGHTING

A petition for the installation of ornamental street lights on Los Feliz road between Glendale avenue and the Southern Pacific railroad tracks is now almost ready to be turned over to the city engineer's office, according to F. B. Reichenbach of 421 West Los Feliz road. He says that there was practically no objection from the property owners to the expense involved.

SCHRAM MAY START TODAY

George A. Schram, 1224 South San Fernando road, expects to steer his Hudson to San Francisco as soon as the weather clears up. He says it looks as though it starts to rain here just as soon as the weather report from the central part of the state is favorable. Upon his return Mr. Schram expects to open a realty office.

DEPARTS FOR MONTROSE

W. E. Evans has closed out his auto repairing establishment at 1526 South San Fernando road. He also to Montrose. It is understood that he expects to combine mechanics and agriculture.

MOTOR TO CRESCENT BAY

Mr. and Mrs. R. J. McBurney, accompanied by friends from Hollywood, motored to Santa Monica Sunday. They operate the Santa Monica Glendale Bakery at 1408 South San Fernando road.

**E. E. Brown Gains
Citywide Patronage
For Park Pharmacy**

E. E. Brown, proprietor of the Park avenue pharmacy, has popularized his place to such an extent in the year's time he has conducted the business at Park avenue and Brand boulevard, that its patronage now is city wide.

While he specializes on accurately filling prescriptions and giving prompt delivery service, he did not overlook the trade in sundries and parties, etc., to use the Knights of Pythias hall above his establishment. This provided a large night trade which has proved profitable, also enlivened the vicinity to such an extent that many people refer to it as the "center of town."

B. V. BRASHER AT WORK

B. V. Brasher of 1017 Melrose avenue, the proprietor of the South Glendale Variety store, is back at his business at 1413 South San Fernando Road after six weeks' absence on account of illness. He is actively at work organizing his store for the spring trade and patrons have found that this establishment handles about every small article the housewife may require. Mr. Brasher's years of experience as a salesman makes him peculiarly adaptable to the notions lines and his accommodating manner affords pleasure to the patrons of the recently-established store.

PUEENTE OIL CO. TO BUILD

Actual work is to be started this week upon a new gasoline filling station on the northeast corner of Los Feliz and San Fernando roads for the Puente Oil company. The new building will be quite large and will cost \$1500. It will be in charge of Z. D. Merriken, manager of the present establishment on this site.

GET YOUR GARDEN FIRST

"This rain surely would make the garden grow all right—if we only had a garden," remarked E. T. Jonney, manager of the local branch of the W. A. Heitman Realty company, 1737 South San Fernando road, yesterday afternoon. "We expect to put one in but I'm not going out now in this moisture to do it."

PROPOSE OYSTER CULTURE

Robert Danner, proprietor of the Reliable Meat Market at 1502 South San Fernando road, says if the rain keeps up it shouldn't be hard to raise oysters in Glendale. Of course, he admits that the use of a lot of salt would be necessary to make the bivalves feel at home.

H. G. ROSS IS SATISFIED

H. G. Ross, who recently opened a watch repair shop at 1522 South San Fernando Road, says business is much better than he anticipated. He says that he has had enough work to keep him busy since he started and has no complaint to make. Mr. Ross is an optometrist, also.

ALLAN N. FAIRCHILD ILL

Allan N. Fairchild of the local branch of the W. A. Heitman Realty company at 1737 South San Fernando road is ill at his home, 1036 South Boynton street.

**Feminine Firm Has
Lots of Enterprise
And Lots of Lots**

The success of women in the real estate business in Glendale and southern California has been particularly noticeable, but no more striking example of feminine enterprise will be found than that of the Elsa-Jane Realty Company at 1503 South Brand boulevard.

Mrs. Elsa McClelland and Miss Jane Howe are the members of the firm and they established themselves two months ago in a unique office and blue colored office. Certainly it attracts the attention of those seeking general real estate or insurance, and especially the person who wants to buy a house or lot.

The Elsa-Jane company has selling agencies for several well advertised tracts, including Glendale Heights, Dahlia Heights and Eagle Glen Heights. At Glendale Heights' opening day last Sunday they had three automobile loads of prospects present. They state they have an attractive location for flats and apartments now listed.

SAY PARAFFINE BASE BEST

Paraffine base lubricating oils are the best, according to both A. F. Barrett of the Triangle Filling station, 1700 South San Fernando Road, and B. G. Jackson of 1600 South San Fernando Road.

"The difference between a paraffine base oil and an asphalt base oil is just like the difference between a good and bad pair of shoes," declared Mr. Barrett. "Using cheap oils to save money is like stopping the hands of the clock to save time."

"Paraffine base oils stand the heat better," said Mr. Jackson. "It is not economy to use cheap oil. We use paraffine base oils even in our service car."

SHOWING OF SPRING HATS

Providing a service seldom found in close proximity to a large city, the E. & R. Millinery of 1517 South San Fernando Road has a new line of spring hats at reasonable prices which will be trimmed to order, the very way the woman purchaser wants it. Mesdames Ella M. Caldwell and Cora Richardson make a feature of retouching hats and since opening for business in September of last year they have built up a satisfactory trade in millinery, notions and fancy work lines.

TOO BUSY TO SEE RAIN

"Rain! Heck, I've been too busy to notice it," remarked George B. Karr, proprietor of the Baldwin Shirt Factory, 1725 South San Fernando road, yesterday. He says the middle initial in his name stands for "Booster."

AT W. A. KENNY HOME

Mr. and Mrs. H. C. Callen of San Fernando and Mr. and Mrs. Ross Callen of South Pasadena spent Sunday with Mr. and Mrs. W. A. Kenny at 318 North Maryland avenue. Music was furnished by Ted Lewis and other Columbia artists.

VISIT AT DANNER HOME

G. E. Martin, Lyle Martin and Kenneth Martin of San Pedro visited Sunday with Mr. and Mrs. Robert Danner at 1631 Gardena avenue.

MEAT CAUSE OF KIDNEY TROUBLE

Take Salts to Flush Kidneys if Back Hurts or Bladder Bothers

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick, headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush off the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.—Advertisement.

Surprise Shower Given for Mrs. Clark Christy

A surprise shower was given in honor of Mrs. Clark Christy Saturday afternoon by Mrs. A. S. Graham and Miss Waunita Emery at the home of the latter, 329 North Kenwood street. After the guests had arrived they were told to draw little ribbons, which were extended over the archway, and receive their fortunes. Each guest drew a baby doll, with the exception of Mrs. Christy, who drew forth a baby carriage decorated with pink and blue ribbons and sweet peas. In the carriage was seated the six months' old baby of Mrs. Graham, surrounded by beautiful gifts for Mrs. Christy. After opening these packages she was presented with a box, which had been sent by relatives in the east, and which was filled with hand made gifts. Needlework was then enjoyed, the girl finishing her garment first being given a prize, which was awarded to Miss Esther Jones.

At the close of the afternoon a delicious lunch was served by the hostesses. Decorations of snailsh and pink and white sweet peas were used throughout the house. The guests included Mrs. Clark Christy of Downey, Mrs. J. N. McGillis, Mrs. Ellis Thomas, Mrs. C. D. Lusby, Mrs. Harold F. Latter of Oakland, Mrs. Charles Brice, Miss Leone Brice, Miss Eleanor Brice, Mrs. Owen C. Emery, Mrs. Frank Weller, Mrs. Emil G. Kiefer, Miss Esther Jones, Mrs. T. Rapid Sale of Lots at Glendale Manor, Claim

The rapidity of the sale of lots in the Glendale Manor Tract, which is within the boundaries of Los Angeles, east of Glendale boulevard and south of the railroad, has been very gratifying to the realty firm of Dickinson and Gillespie of Los Angeles, subdividers of this property. During the last four days 200 pieces of property in the tract have changed

hands and the erection of a large number of houses will be started at once. Lumber is already on the ground and work started on several homes. It is also expected that a school, church and business places will also be built within a short time. Glendale Manor is just five minutes ride of Glendale and being situated as it is between two of the fastest growing cities in the country, the popularity and desirability of its location is evidenced in the large number of properties which have changed hands in such a short time.

'Bucking the Line' at Glendale Today With Flynn, Famed Athlete

"Bucking the Line," a William Fox photoplay presenting a star of the screen a famous former star of football, Maurice Flynn, is at the Glendale Theatre today. "Bucking the Line" is a stirring story of the struggle for possession of a valuable railroad right of way, with a four-cornered love theme interwoven through the rapid and exciting action. It provides an ideal vehicle for the handsome young athlete as his first starring picture. The photoplay is based on a popular story by Francis Lynde.

The new star is ably supported by Molly Malone in the feminine lead, Kathryn McGuire, Norman Selby, B. J. Farrell McDonald, James Farley and Lesly Casey.

Interesting International News and two comedies, "Call the Witness" and "Playing the Possum," round out the virile program of pictures pleasing to the whole family.

POSTPONE SCHOOL EVENT

The program for the Grand View school grounds, which was arranged to take place tomorrow has been definitely postponed on account of the unsettled weather and the wet condition of the grounds. The sensible restrictions placed on every lot in this tract is making this property very popular.—Advertisement.
